- Price List 2020 -

Our rosettes are made from embossed edge satin ribbon, produced to a high standard both in terms of quality and finish. Rosettes are supplied in cellophane fronted bags in runs convenient to the customer, i.e. 1st - 6th.

We can create individual rosettes to whatever design you require. For example, you can add gold or silver blocked tails, extra long or wider tails.

Why not add stars around the centre of the rosette or even have a tier of stars, or you may prefer stars and/or loops around the outer tier.

To make your rosette extra special you could have a specialised printed ribbon, such as spotted or gold edged ribbon, either throughout the whole rosette or just as an extra tier. Please refer to the information inside for prices.

INCLUDED IN THE PRICE

- All rosettes are available in any colour or combination of colours from our comprehensive range with matching centres.
- Round 5 cm centres printed in gold or silver with the name of the show/club, placing or standard motif. Some ranges include larger centres as standard.
- A choice of Bridle Clip, Tapes, Brooch Pins, Carcase Pins or Sticky Pad Fastening.

*Please note this is a selection of the rosette styles, sashes, badges, etc we have available.
If you cannot see precisely what you want, we invite you to discuss your requirements
with a friendly chat over the phone, or come along and visit us in person.
Personal attention is our speciality.*
